# Bake for Brain Injury

To coincide with Brain Awareness week we are running a 'BAKE FOR BRAIN INJURY' nationwide event.

This campaign will be kicked off by rugby stars Denis Leamy, John Fogarty and Bernard Jackman, who are asking that you get involved and help raise funds for ABI Ireland's research and development. We are asking everyone to get involved in Bake for Brain Injury and to host a bake sale for ABI Ireland your home, local school or workplace.

Bake sales will be taking place in our services nationwide. Details will be available on our website and in local media.

For details of how to get involved and receive your Bake for Brain Injury poster and info - please e-mail
