

## **Killarney Rotary club arrange Afternoon Tea Fundraiser in aid of Acquired Brain Injury Ireland.**

The Afternoon Tea event took place in the Malton Hotel, and raised in excess of €2,000. All the costs were absorbed by the Rotary Club and the members provided prizes. This ensured that the full amount was donated to Acquired Brain Injury Ireland. Lisa Spogler, Local Services Manager, ABI Ireland, accepted the cheque on behalf of ABI Ireland. The funds raised will go towards a new resource centre in the Castleisland area.
