

## **MOVEPLAN IRELAND select ABI Ireland as Charity of the Year 2010**

ABI Ireland is delighted to announce that we have been chosen as **MovePlan Ireland's Charity of the year for 2010** as a result of a nomination made by their Project Manager, Orla Keenan.

The final touches are currently being put to a Corporate Social Responsibility Plan which aims to deliver a series of practical effective and fun events and activities. MovePlan and ABI Ireland envisage that this collaboration will not only assist in further highlighting Acquired Brain Injury (ABI) as a complex and often hidden population in Ireland but will also secure vital funds which would go towards supporting ABI Ireland's programme of **Family Carer Training 2010/11**.

Check out [www.moveplangroup.com](http://www.moveplangroup.com) and also the news and events section of our website for details of how you can join in and support the MovePlan/ABI Ireland initiatives in 2010.

**MovePlan** was formed in 1986 and is now a leading global move management consultancy. We plan and manage relocations for all kinds of organisations from large multinational companies and professional partnerships to small firms and Government departments.

No project is too large or too small; we have moved 25,000 staff for one organisation and two for another.
